RESPONSE

Dear Examiner Fadok:

In the office action mailed September 15, 2004, the Examiner indicated the most recent amendment was non-responsive. In particular, the Examiner did not receive a discussion how the amended features overcame the prior art. Despite this omission, the Applicant appreciates the Examiner's recognizing our bona fide attempt to respond and providing a 1 month extension to provide the additional information. In reviewing the office action mailed March 8, 2004, the Examiner rejected claims 1,2, 4-7, 9-12, 14-17,19, and 20 under 103(a) as unpatentable over Lazaraus et al (U.S. Pat. 6,430,539) in view of Applicant's disclosure and Official Notice. Assuming our most recent amendment was not entered in part or in whole, we have re-submitted our most recent amendment to the claims and have added reasons why the claims as currently amended are in condition for allowance. Accordingly, the Applicant would respectfully request reconsideration and entry of the amended claims.
